

DOG HOUSE RULES

*Dear Guests,
We are delighted that you have chosen our hotel for your stay.*

Your four-legged companion is welcome to stay with you in selected room categories. However, as we place the highest value on hygiene, we kindly request compliance with the following guidelines (Dog House Rules).

Liability Insurance and Training

Dogs brought into the hotel must be adequately insured for liability. The owner is responsible for any damages caused by the dog to other guests or hotel property.

We accept only well-behaved and house-trained dogs with a friendly demeanor in our hotel.

Your dog should also be accustomed to staying calmly and alone in the room. Uncontrolled barking should be avoided out of consideration for our other hotel guests. **Dogs must be kept on a leash and wear a muzzle throughout the entire stay in our hotel.**

Dining Area

Unfortunately, due to hygiene guidelines, your dog is not allowed to accompany you to the buffet or wellness area. In the dining area, dogs must remain quiet at the table and wear a **muzzle**. Muzzles in various sizes are available for rent at the reception.

Accommodation in the Hotel Room

In the hotel room, we provide a **dog blanket**, a **food bowl**, **doggie bags**, and a **dog sign** for the duration of your stay. Our hotel beds, as well as all other furniture in the hotel room, are **strictly off-limits** for the dog. We appreciate your understanding; you are welcome to bring your pet's own sleeping arrangements (dog bed, etc.).

If your dog is roaming freely in the room, please **hang the sign on your room door**. This is only a preventive measure to avoid potential territorial behavior from the dog.

Walking

There are a lot of walking paths suitable for a short stroll nearby the hotel. We request that you keep your dog **on a leash** and make use of the doggie bags available in the hotel area.

Hotel towels are not available for our four-legged friends. Please use your own towels to dry your dog.

Costs

A fee of **€ 15,- per night** will be charged for your dog. These costs cover additional cleaning efforts and may be increased in cases of above-average contamination.

*We appreciate your understanding and
wish you and your four-legged friend
a pleasant and relaxing stay!*
